

**CITY OF HARRISONBURG, VIRGINIA**

**WATER USE AGREEMENT FOR SWIMMING POOLS**

I INFORMATION: Water Department completes Part 1 of this form and forwards it to the Fire Dept.

ISSUED TO: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

PHONE #: \_\_\_\_\_

II CONDITIONS:

A) FEES: Fire Department Labor Fee:  
Applicable Employee Overtime Rate

Fire Department Vehicle and Equipment Charge:  
\$25.00 per hour

Utility Billing Department Charge:  
Applicable City/County Rate  
NO MINIMUM CHARGE

B) INDEMINIFICATION: The applicant is advised that the safest procedure when filling swimming pools is to use the domestic meter at typical withdrawal rates. However, the Harrisonburg Fire Department will provide an alternative to fill swimming pools from a fire hydrant under recognition of indemnification from the applicant.

The applicant is herewith advised that undesirable conditions can occur during the filling/emptying procedure; they may occur in the absence of negligent acts. The attending staff may not be familiar with the public or the private water system. Such effects could include, but are not limited to, turbid water, water spillage into undesirable areas, liner damage, and damage to the pool structure or systems. Typical protocol and staff attention will be followed in order to minimize the possibility of these events.

III HYDRANT OPERATION: To be completed by Fire Department and returned to the Water Department.

HYDRANT OPERATOR: \_\_\_\_\_

GALLONS OF WATER USED: \_\_\_\_\_

IV AUTHORIZATION: The undersigned hereby acknowledges and accepts the conditions stated herein:
